Public Team of Public Health Ministry Leave Helmand after launching public health campaigns

Date : Dec 13, 2007
Category : General
Sources : BNA

The Public Team of Public Health Ministry left Musaqaala district of Helmand.

The Public Health Minister Dr. Sayeed Mohammad Amine Fatomi told BIA.

As per the decree of Hamid Karzai the Public Health Ministry organized public services assistance for displaced people of that district, and the public team made a trip to that district along with medicines and other necessary facilities.

He added that the team provided public services to people and later on activated public centers and launched vaccination campaigns.
